PROFESSIONAL SUMMARY

Social Service Practitioner (in-Training) | Generative AI & Finance Executive | Career Transition to Social Service

Career-transition professional leveraging 6+ years of programme coordination and stakeholder management to serve THKMC's 70,000+ beneficiaries — equipped to execute outreach plans, develop volunteer networks, and ensure performance against MOH/AIC/MSF indicators. Currently completing WSQ Diploma in Social Service (Tsao Foundation / Hua Mei Training Academy, SCTP), with 16-day hands-on fieldwork at an Active Ageing Centre — including direct application of community outreach tools, needs assessment, and care coordination for vulnerable seniors.

Brings Diploma-grounded understanding of Volunteer Programme Management principles, stakeholder engagement strategy, and community outreach execution, combined with 6+ years of cross-sector experience in programme management, partner relationship building, and budget governance. Ready to contribute meaningfully to THKMC's mission of serving Singapore's communities across Disability, Early Intervention, Family, Seniors, and Therapy services.

CORE COMPETENCIES & TECHNICAL SKILLS

Befriending & Community	Administration	Social Service Domain
Outreach Planning, Execution & Follow-up Visits	Program Planning, Implementation & Evaluation	Volunteer Management;:5 domains & AAC Model
Volunteer Recruitment, Screening & Orientation	KPI Monitoring & MOH/AIC Compliance Reporting	Evidence-based, data-driven seniors' engagement
Stakeholder Engagement & Community Partner Networks	Budget Documentation & Financial Record-keeping	Ethics, Legislation & Social Policy
Mutual help Group Facilitation & Senior Empowerment	Microsoft Office & Digital Program Tools	Needs Assessment & Vulnerable Senior Support

PROFESSIONAL EXPERIENCE

Generative AI Engineer | **Cogent Holdings Pte Ltd** | *2022 – Feb 2026*

- **Outreach Plan Execution:** Led structured outreach campaigns engaging 50+ external partners and stakeholders across multiple communities - directly applicable to developing and implementing THKMC's outreach plans, conducting follow-up visits to seniors in identified HDB blocks, and registering seniors within service boundaries.
- **Volunteer Network & Partner Development:** Established networks with grassroots organisations, corporate bodies, and educational institutions to build a sustainable volunteer pipeline - mirrors THKMC's

requirement to recruit, interview, screen, and orient volunteers, and to serve as the key communication link between the AAC and its volunteers.

- **Programme Coordination & Evaluation:** Designed, implemented, and evaluated multi-stakeholder programmes with structured data collection and feedback loops, achieving 30% improvement in community engagement - demonstrating programme planning, performance monitoring, and evaluation skills aligned with THKMC's MOH/AIC/MSF reporting requirements.

Programme Coordinator (Planning & Evaluation) | **ST Engineering** | *2019 – 2022*

- **End-to-End Programme Planning:** Coordinated 3 complete programme cycles - from needs identification and design through implementation, monitoring, and post-programme evaluation - directly applicable to developing and implementing THKMC's annual calendar of social and health activities ensuring performance indicators are met.
- **KPI Reporting & Compliance Documentation**: Built structured data collection systems and evaluation frameworks tracking programme KPIs across multiple operational units - maps directly to THKMC's reporting requirements against operating guidelines issued by MOH, AIC, and MSF through their reporting systems.
- **Budget Documentation & Financial Compliance**: Maintained meticulous financial records ensuring full documentation of all expenditures and strict adherence to allocated budgets - aligns with THKMC's requirement for accurate budget documentation and financial record-keeping.

Director / Stakeholder & Relationship Management | **ABN AMRO** | *2017 – 2019*

- **Stakeholder & Budget Management:** Managed strategic relationships with 200+ clients and institutional counterparties alongside multi-million dollar budget oversight - directly meets THKMC's requirement for 3+ years of stakeholder and budget management experience.
- **External Partnership Development**: Built and maintained partnerships with diverse external organisations, community bodies, and institutional partners - transferable to THKMC's requirement to establish networks with grassroots, social services, corporate organisations, and schools to engage volunteers.
- **Cross-Functional Communication**: Served as the key communication link between operations, compliance, and client-facing teams - mirrors THKMC's requirement for the Programme Executive to serve as the key communication link between the AAC and its volunteers and community partners.

EDUCATIONAL EXCELLENCE & PROFESSIONAL PIVOT

Candidate for Graduation; SCTP Career Transition Programme

- **Key Modules**: Ethics, Values and Legislation; Workplace Safety and Health; People Management; Volunteer Programme Management; Stakeholder Management; Social Policy Implementation; Financial Management.
- **Industrial Attachment: 16-day hands-on fieldwork at Active Ageing Centre** - applied community outreach tools, conducted needs assessments, tiered seniors by care complexity, and supported care coordination for vulnerable seniors; direct on-the-ground AAC operational experience transferable to THKMC's service mode
- Evening & Weekend Availability: Demonstrated through programme attendance alongside full-time employment

Specialization: Applying "Decision Support System" logic to social service management, exploring AI-driven outreach modalities to improve community sensing accuracy

MBA | **Nanyang Technological University (NTU)** | *2001 – 2003*

Dean's Honors List: ***Recognized for academic excellence in risk management and financial modelling***

Diploma in Social Service Projects
Social Service Portfolio | Ethical Issues & Legislative Breaches

SSC-PVE-4010-1.1 — Ethics, Values & Legislation | Clinical Journal

Bachelor of Science in Mathematics | **National University of Singapore (NUS)** | *1994*
Public Service Commission Scholarship

CERTIFICATIONS & PROFESSIONAL DEVELOPMENT

- WSQ Diploma in Social Service - In Progress (Tsao Foundation / SCTP)
- Microsoft Certified: Azure AI Engineer Associate
- Google Professional Machine Learning Engineer

My Vision for Active Ageing

- **Inclusive Programme Design**
  Use data-driven insights to identify emerging senior interests — from tech-literacy workshops to wellness screenings — and design active ageing programmes that attract both active and isolated seniors to the AAC.
- **Seamless Care Administration**
  Implement simple digital tools for programme tracking, referral documentation, and vital signs logging — freeing up more time for face-to-face senior befriending, outreach events, and personalised care coordination.
- **A Strategic Integration of Heart and Technology**
  By combining the rigor of quantitative finance and the innovation of generative AI with the professional foundation of the Tsao Foundation's Social Service Diploma, drive the institutional evolution needed to enable seniors to live truly "unstoppable lives".

A Heart-and-Technology Approach to Active Ageing

THK AAC needs Programme Executives who are not only administratively competent but genuinely passionate about seniors. John's background in technology guarantees operational rigour for every data entry, record keeping, and report submission task, while his Diploma in Social Service provides the empathy and sector knowledge to walk alongside seniors in their golden years. This combination of head and heart is what John brings to every AAC programme, outreach event, and befriending visit.
